

## Township / Multi-township Certification

The department is required under Sections 2-45 and 2-50 of the Property Tax Code (35 ILCS 200/2-45 and 2-50) to certify assessor pre-election qualifications to each township clerk and county clerk by February 1 of the year prior to the election. All candidates for the offices of township and multi-township assessor must satisfy pre-election qualifications based upon the equalized assessed value (EAV) of property in their assessment district.

Please note that under Section 2-45 a candidate must file a certificate of his or her educational qualification with the township or multi-township clerk, the board of election commissioners, or other appropriate election authority prior to appointment or filing nominating papers or participating as a candidate in any caucus or primary or general election for the office of township or multi-township assessor. If the certificate of educational qualification is not filed, the election authority must refuse to certify the name of the candidate to the proper election officials.

Township and multi-township boards may petition the department for a revision of these pre-election qualifications under Section 2-52 of the Property Tax Code (35 ILCS 200/2-52). The petition process is described in the administrative rule (Section 110.162). This rule is available on the department's web page at <http://tax.illinois.gov/LegalInformation/>.

### Clarification of Qualifications:

**Designation:** A CIAO or a designation listed in Section 2-45 of the Property Tax Code is Required.

**Introductory:** Illinois Department of Revenue Township Assessor Introductory Course, Basic Course from IPAI prior to 1/1/1997, CIAO, or a designation listed in Section 2-45 of the Property Tax Code is required.

**Intermediate:** Candidates in jurisdictions with more than \$10 million and less than \$25 million of Non-farm, Non-mineral EAV and less than \$1 million in Commercial and Industrial EAV, **and previously elected** in any such township or multi-township will require one of the designations listed in Section 2-45 of the Property Tax Code. **If not previously elected** in such jurisdictions, then either an Illinois Department of Revenue Township Assessor Introductory Course, Basic Course from IPAI prior to 1/1/1997, CIAO, or a designation listed in Section 2-45 of the Property Tax Code is required.
